

Rappahannock Community College Announces a New, Unique EMS Program to the Region!

Mobile Integrated Healthcare (MIH)

Certified EMS providers will gain skills and training to partner with the prehospital healthcare delivery team and successfully extend medical care beyond emergency services.

MIH and Community Paramedicine (CP) provide support for chronic disease management and connections with primary care providers, mental health, and substance abuse services.

Course begins August 29, 2023

Locations:

Warsaw

Northampton County Department of EMS

To enroll call 804-333-6730 or
email advisor@rappahannock.edu

The 10-week course includes classroom work in Warsaw and clinical components at various partner locations. Upon successful completion of the course, students will receive a certificate, providing them greater opportunity for employment opportunities in the growing and advancing field of Emergency Medical Services (EMS).
