

C-Collar Backorder

S

Situation

- Sentara hospitals are experiencing a backorder on the replacement c-collar given to our EMS partners.

B

Background

- Sentara hospitals supply a replacement C-Collar to our EMS colleagues on a 1:1 exchange as defined by the TEMS restocking agreement.

A

Assessment

- Sentara ED Commodities has informed all emergency departments that the replacement c-collar is on backorder.
- We are researching alternatives. One has not been identified or is also on backorder.
- Sentara ED Commodities is looking for an alternat vendor to see their availability.

R

Recommendation

- **Please be aware that Sentara ED's are running short on replacement c-collars as they are on backorder.**
