

2023 Regional EMS Symposium

November 10-12, 2023

Rappahannock Community College, Glens, VA

Register Today!

This exciting and educational 3-day event will bring together emergency medical service professionals from across the Rappahannock region and provide 24 hours of EMS Continuing Education units.

Whether you're a seasoned veteran or just starting in the field, this symposium is the perfect opportunity to expand your knowledge and network with fellow EMS professionals.

Workshops in Moulage Artistry, Emergency Pediatric Care, Prehospital Trauma Life Support, MCIM I & II, Wilderness First Aid and more!

Don't miss Bob Page's High Performance Ventilation Workshop and Escape Room!
