Emergency care
for burn injury

OCTOBER 25, 2024 ADVANCED BURN LIFE SUPPORT

Advanced Burn Life Support

Central Virginia Healthcare Coalition and the Evans-Haynes Burn Center at VCU is hosting a grant funded Advanced Burn Life Support class. The ABL S Provider Course is an eight-hour class designed to provide medical personnel with the ability to assess and stabilize patients with serious burns during the first 24 hours post injury. Adult, pediatrics, burn resuscitation, special populations, triage and burn center transfer criteria will all be addressed throughout the day.

Registration is limited and closes on Friday October 11th, 2024.
Please scan the QR code or click the link to register.
