

2nd Annual Sentara and VB EMS Health Symposium

Time: 8 a.m. to 5 p.m.

Date: November 1, 2024

Location: Health Education Center
Sentara Virginia Beach General Hospital
1060 First Colonial Road
Virginia Beach, VA 23454

Join us for an all-day event with presentations, discussions, and hands-on training. There will be opportunities to learn from and experience live demonstrations from local physicians, and VB EMS and VB FD responders to gain a deeper understanding of best practices in trauma response. Presentation topics include:

- Diabetic emergencies
- Can't miss pediatric
- Adult ECG - no STEMIs
- OB emergencies
- Trauma management

VB EMS Training will provide equipment for hands-on rotating stations and continuing education credits.

Registration is required:
