Critical cardiac events:
ECG mastery and post- event review

You're invited!

Join us to learn more about emergency care topics and dive into actionable techniques to help improve patient outcomes in your system and around the community. Attendance at this event is complimentary. Breakfast pastries and beverages will be provided, as well as lunch.

Topics include:

- Strategies to increase correct STEMI activations and reduce STEMI overcall
- Rationale, benefits, and implementation of 15-lead ECGs
- Resuscitation optimization and post-event review
- Mechanical CPR

When:

Wednesday, November 11, 2026

9:00 a.m. - 2:00 p.m.

Where:

PATH Foundation -

321 Walker Drive, Warrenton, VA 20186
