EMERGENCY SERVICES

Continuing Education Programs

Emergency Medical Technician (EMT) Summer Session Starts May 30th, 2024

The Emergency Medical Technician (EMT) course is intended for individuals interested in exploring careers as an EMT. The course provides training to prepare an individual to function independently in a medical emergency. This course provides the basic knowledge and skills needed to provide basic life support (BLS) care and is required to progress to more advanced levels of prehospital patient care. Radford students may be eligible for seven (7) credits upon certification. For more information, visit <https://www.radford.edu/ruc-cep>.

Dates/Times: The first class is on **Thursday, May 30th, 2024**
Subsequent classes will be on Tuesdays and Thursdays
9am – 5pm through August 6th, 2024.

Tuition: \$850* (includes CPR certification & initial certification testing fee)

Location: Radford University Carilion
101 Elm Ave, SE, Roanoke VA 24013

**Application
Deadline:** Thursday, May 9th, 2024

***Not included in tuition:**
