Admission Policies and Enrollment Requirements

The RUC-WVEMS Training Program is an equal opportunity program. Students shall not be discriminated against with regard to disability, age, race, color, sex, marital status, sexual orientation, pregnancy, religion, or national origin. All applicants must meet the minimum requirements and provide documentation prior to entry into an Advanced Life Support program.

An enrolled student in an ALS certification program shall comply with the following:

1. The applicant must meet the minimum requirements specified in the Virginia Emergency Medical Services Regulations section **12VAC5-31-1521. ALS Course Student Requirements (see below)**:
 - ✓ *Be proficient in reading, writing and speaking the English language in order to clearly communicate with a patient, family or bystander to determine a chief complaint, nature of illness, mechanism of injury, to assess signs and symptoms and interpret protocols.*
 - ✓ *Be a minimum of 18 years of age at the beginning date of the certification program.*
 - ✓ *Certification as an EMT.*
 - ✓ *Possess a High School or General Equivalency Diploma.*
 - ✓ *Have no physical or mental impairment that would render the student or provider unable to perform all practical skills required for that level of certification, including the ability to function and communicate independently and to perform appropriate patient care, physical assessments, and treatments.*
2. No more than 15% of required course hours absence is allowed in this program for any reason (for the overall program). Students missing more than the maximum hours allowed will be dropped from the course.
3. The applicant shall complete an EMT level knowledge-based entrance examination and must achieve a satisfactory cut score of 70% or greater to be considered. The applicant will have one (1) opportunity to successfully complete this exam. Candidates will be ranked by date of application submission and based on exam performance.
4. The applicant shall consent to criminal history check and drug screening in a manner specified by the Radford University Training Program by the deadline established for the program which is a requirement for participation in the clinical component of the program.
5. All students must complete the Student Health and Clinical requirements within 30 days of the beginning of the program. Failure to do so will result in program dismissal without refund.
6. Program completion is defined as completing all program requirements necessary to qualify for the NREMT certification examination.
7. Completion of this program does not qualify for academic credit at Radford University Carilion. Applicants wishing to obtain credit can apply to the RUC-Emergency Services Program Degree Completion Track and obtain credit through the "credit by examination" process once Paramedic Certification has been achieved.
8. Payment for this program does not qualify as "Tuition" under IRS Code. You will not receive a 1098-T for tax deductions from Radford University Carilion or Western Virginia EMS Council.
9. No tuition refunds will be made.
10. Understand that completion of this program **does not** guarantee that the student will be allowed to participate in any certification processes.

If accepted into the program, documentation of all immunizations as listed below must be submitted into Castlebranch, the programs clinical compliance database, within 30 days of THE FIRST DAY OF CLASS:

- A. Proof of immunization or results of MMR titer. (Required.) 2-part vaccine or 2-part serological confirmation
- B. Proof of current flu vaccination. (Required.)
- C. Proof of COVID vaccination/boosters. (Required.)
- D. Hepatitis B vaccine status. (Recommended. If vaccination is declined, a declination form must be supplied or completed.) 3-part vaccine series.
- E. Proof of immunization or results of varicella titer, if there is no history of chicken pox. (If you have had chicken pox, Serological Confirmation of Immunity required). 2-part vaccine series or serological testing.
- F. Results of tuberculin skin test (TST). Two-step TST is required if you do not have a documented negative TST result during the preceding 12 months. If you have a documented negative TST result during the preceding 12 months, you need only complete one-step TST. A TB blood test (QuantiFERON®-TB Gold Test) may be substituted for the tuberculin skin test.
- G. Proof of Tetanus, Diphtheria, and Acellular Pertussis (Tdap) vaccination (Required) 1-part vaccine series.
- H. Proof of Meningococcal Conjugate Vaccine (Required) 2-part vaccine series.
- I. Proof of Polio Virus Vaccine (Required) 4-part vaccine series as child or 1 adult booster.
- J. Physical exam administered by a licensed healthcare provider within the last 12 months prior to the course beginning date.
- K. Proof of health insurance.
