EMERGENCY SERVICES

CONTINUING EDUCATION PROGRAMS

Emergency Medical Technician (EMT)

Summer Session starts Tuesday, June 3rd, 2025

The Emergency Medical Technician (EMT) course is intended for individuals interested in exploring careers as an EMT. The course provides training to prepare an individual to function independently in a medical emergency. This course provides the basic knowledge and skills needed to provide basic life support (BLS) care and is required to progress to more advanced levels of prehospital patient care. Radford students may be eligible for seven (7) credits upon certification. For more information, visit https://www.radford.edu/ruc-cep.
