Continuing Education Programs

Emergency Medical Technician (EMT)

Spring Session starts Tuesday, January 13th, 2026

The Emergency Medical Technician (EMT) course is intended for individuals interested in exploring careers as an EMT or related healthcare fields. The course provides training to prepare an individual to function independently in a medical emergency. This course provides the basic knowledge and skills needed to provide basic life support (BLS) care and is required to progress to more advanced levels of prehospital patient care. Radford students may be eligible for eight (8) credits upon certification. For more information, visit https://www.radford.edu/ruc-cep.

Dates/Times: **First class is Tuesday, January 13th at 5pm | Last class is Thursday, April 23rd**
Subsequent classes will be on Tuesdays and Thursdays, 6pm – 10pm
as well as, four (4) Saturdays, 9am – 5pm (dates TBD)

Tuition: **$999*** (includes CPR certification, T-shirt & initial certification testing fee)

Location: **Radford University Carilion**
