Fundamentals of 12 Lead ECG

Presenter: Bob Page, M.Ed, NRP, CCP, NCEE, CHSE, CHSOS

APRIL 7

1800 TO 2000

Getting the right patients direct to the cath lab can be a combined effort of Dispatch Centers, Ground EMS, and Helicopter EMS.

Let's kick off National Public Safety Telecommunicators Week and EMS Week by learning how we can work toegether to provide the best outcomes for our STEMI patients!

This course was created to strengthen statewide ECG competency and ensure rapid, accurate STEMI recognition across EMS and hospital teams.
